

## **POLICY SKILLS & LEADERSHIP**

CERP's Policy Skills & Leadership (PS&L) is a three-day intensive workshop that focuses on two fundamental topics: Exercising Leadership and Policy Skills.

## **TARGET AUDIENCE**

PS&L is designed for a broad range of mid-senior level professionals from the public and development sectors (i.e. NGOs, INGOs, non-profits) and multi-lateral institutions, including (but not limited to): policymakers, practitioners as well as policy-focused academics and analysts.

## **TEACHING METHODS**

PS&L is a highly interactive and experiential workshop that combines a variety of innovative learning tools, including lectures, case discussions, group work and localized simulations.

## **IMPACT**

Learning Hub piloted the program with over 20 participants from various organisations such as the Human Rights Commission of Pakistan, Federal Board of Revenue, DFID, Punjab Education Sector Reform and Inland Revenue.
